Supporting Aussie farmers

Since 2015, the Coles Nurture Fund has awarded more than \$43 million to help 127 small businesses turn innovative ideas into reality.

Family-owned farm Emu Hill Pastoral was awarded a \$500,000 Coles Nurture Fund grant to create a more sustainable and resilient water system by desalinating underground water. The project uses a solar-powered water treatment plant, together with a dam designed to minimise evaporation, to support growth of the farm's beef cattle feedlot.

BEEF CATTLE
COMPETITION

Welcome from the Chair

The Melbourne Royal Beef Cattle Committee is excited to welcome you back for the 2026 Show.

The Melbourne Royal Beef Cattle Competition provides breeders with a wonderful opportunity to showcase their livestock and benchmark their breeding programs in one of Australia's largest and most prestigious cattle competitions.

We are thrilled to once again present the Bioworma Youth Heifer Show, a fantastic event recognising young people aged 26 and under and their involvement in, or introduction to, the beef industry. Following the tremendous success of the inaugural show in 2024, it was a natural decision for us to bring this event back. We are incredibly grateful to the Lawlor family of Bioworma, along with the many generous sponsors who have come on board to support the show. We believe the Heifer Show is a great opportunity to celebrate the enthusiasm of young people, while providing them with a platform to exhibit cattle, develop their skills and most importantly, enjoy being part of the beef industry.

This year, we are delighted to welcome judges from across the country, along with an international judge, who will oversee the Bioworma Youth Heifer Show. We sincerely thank each of our judges for giving their time and expertise to the event, it is a great honour to have them join us.

We know Melbourne Royal provides an annual opportunity to catch up with great friends and I invite you to join us at our infamous ringside bar and meeting place. It is my favourite place at the Show and provides a chance to catch up, compare notes and share successes. I would love to see you there.

Our pinnacle event, the Beef Cattle Interbreed, will be held on Saturday 3rd October. Please join us in celebrating the best of the best from the 2026 competition as we sash the Supreme Beef Breed Exhibit.

On a personal note, after 16 years on the Melbourne Royal Beef Cattle Committee, including 11 Shows as Chair, I have decided that 2026 will be my final Show with the Committee. It has been a privilege and a rewarding experience, but I feel the time is right to step away.

I would like to sincerely thank the current Beef Cattle Committee members, Matt Cooney, Geordie Elliot, Jo McLauchlan, Sam Nelson, Jess Sharp, Cindy Smith, Gary Turnham and Vanessa Wenn, as well as past committee members Noelene King, Melissa Neal, Duncan Newcomen, Allen Snaith and David Spencer. I have been incredibly fortunate to work alongside such a dedicated and committed group of people who share a genuine passion for the Beef Cattle competition and the Show. Every member of the Committee gives their time voluntarily, alongside their own work, businesses and family commitments. The hours and effort that go into preparing for and delivering the Beef Cattle section are significant, and I have enormous respect and appreciation for the time and effort each member has given over the years.

Our aim has always been to create an environment where exhibitors feel welcomed and where they can enjoy a positive and memorable experience, while at the same time ensuring the Beef Cattle section provides the public with an exciting and enjoyable spectacle. As a committee, we have continually reviewed and assessed what we do, always looking for ways to improve the experience for both exhibitors and the public.

Welcome from the Chair

I am immensely proud of what we have achieved together over many years, and of the strong commitment everyone has shown to making the Beef Cattle section the best it can be.

Of course, the Show would not run without our onsite teams. I would like to sincerely thank our current superintendents, Ryan McRae and Daryl Holder and Ron Desira for his time in the role. My thanks also go to our fantastic bump-in and bump-out crew, Luke 'Chapo' Chapman and John Bickley and his staff, as well as the many Melbourne Royal Livestock team members who have worked in the Beef Cattle section over the years.

I would also like to thank my family for their support throughout my years on the Committee, particularly my daughter Aimee. Although never officially a committee member, Aimee has voluntarily dedicated many hours over many years to the Beef Cattle Carcase Competition and has been a wonderful support to me and to the Committee.

I am truly grateful for the friendships, experiences and memories that my 16 years on the Committee have given me. It has been a privilege to serve the Beef Cattle Committee and to play a part in shaping the competition and the experience we provide at Melbourne Royal.

I look forward to hosting you, your family and friends at the 2026 Melbourne Royal Show, enjoying another fantastic year of competition and coming together to celebrate the Beef Cattle industry.

These spaces will not be made available to individual studs. Only one space per breed will be granted and only if space permits. In order to create competition, please be aware that classes may be amended, consolidated or cancelled. Refer to Section 9 of the Special Regulations of Beef Cattle Competition.

Important Information for Beef Cattle Exhibitors

Johne's Disease Status

All exhibitors are advised to review changes to the Melbourne Royal Show Johnes Disease Management detailed in Section 5.3 of the Special Regulations of Beef Cattle Competition.

Changes to Australian Johne's Disease Management are explained in further detail on the Animal Health Australia website.

Pesti Virus

Please note that all Beef Cattle, Beef Carcase and Dairy Cattle Exhibits must be tested for Pestivirus (Bovine Viral Diarrhoea Virus) and certified as non PI (Persistently Infected). Exhibitors must provide a signed veterinary certificate or laboratory report, listing animals and their identification prior to arrival on ground.

Breed Representatives

Each Breed Society or association may nominate persons qualified to act as a breed representative for their breed. Melbourne Royal must approve and officially appoint the breed representative.

A Breed Representative's essential duties are to provide a link between Exhibitors and the Cattle Superintendent, and to inform Exhibitors at the direction of Melbourne Royal.

Calf Spaces

Due to space restrictions, spaces cannot be booked for calves at foot. Calf spaces will only be provided where space permits.

Sawdust Bedding For Cattle – Principles For Good Management

To achieve the best results from bedding cattle on sawdust, the following system of management is recommended:

- a) Pick up manure at every opportunity.
- b) Avoid water spillage in stalls.
- c) Regularly smooth out the bed with the aim of assisting drying.
- d) Consider using rubber matting for front half of bed.
- e) Do not dig out the wet patches.
- f) Do not disturb the bedding base.
- g) Keep the top of the bed loose.

Experience has shown that properly managed bedding will last a full Show with little need for top up bedding, particularly with some classes of livestock.

Tattoos and Inspections

The 2026 Melbourne Royal Show will see the strict enforcement of both the Melbourne Royal Special Regulations and the applicable Breed Society Regulations. All exhibits must present the required permanent identification at the point of inspection. Any exhibit that does not have the correct tattoo, or other approved identification as prescribed by the relevant regulations, present and clearly legible at the time of inspection will be disqualified and will be ineligible to take any further part in the competition.

Clipping of Exhibits

A limited number of clipping frame spaces will be available, provided an application for space and a \$165 fee (GST inc.) accompanies entries.

All clipping frames must have secure flooring. Clipping frames must only be kept in their designated area. Failure to adhere to this rule will result in automatic removal of the clipping frame.

Clipping frame tags (distributed with exhibitor packs upon arrival) must be fixed to clipping frames for the duration of the Show. Any clipping frame not displaying a tag will be required to be removed.

Important Information for Beef Cattle Exhibitors

Spraying of Hooves

Exhibitors are reminded not to spray cattle hooves on the concrete. If exhibitors are found to be spraying the hooves the costs of the cleaning will be passed onto the exhibitor.

Absence of Exhibit

Notwithstanding the relevant Special Regulations, exhibitors may withdraw exhibits provided that written notification is given to Melbourne Royal by 5:00pm on Friday 7 August 2026. The full bedding fee will be refunded for each head of cattle withdrawn in writing by this time.

Property Identification Code

The Property Identification Code of the Melbourne Showgrounds is 3MWAG001.

Minimum Number of Exhibits

Exhibitors are reminded that as per Section 4.3. of the Special Regulations, breeds must have ten or more exhibits entered (not withdrawn) to ensure Breed judging. If a Breed has nine exhibits or less, they will be judged in the appropriate 'Any Other Breed Class'.

Stock Attendant Passes

- 1–5 Exhibits = 1 pass
- 6–10 Exhibits = 2 passes
- 11+ Exhibits = 3 passes

If you require more than the amounts outlined above please contact the Livestock Manager.

Calves at Foot and Ring Conduct

Calves at foot are not eligible to be exhibited in Ordinary or Youth Feature Classes.

For the purposes of this Schedule, a “calf at foot” is defined as any exhibit that is being maintained on, running with, or dependent on its dam.

Exhibits must be shown independently. Calves must not be accompanied by their dam in the judging ring.

Suckling is strictly prohibited in the judging ring. Any calf observed to be suckling its dam during judging may be removed from the ring and/or deemed ineligible at the discretion of the Chief Steward or Judge.

It is the responsibility of the exhibitor to ensure all exhibits are appropriately weaned, trained, and presented for safe and effective judging.

BioWorma Youth Feature Show Paraders – Conditions of Entry

Eligibility for the BioWorma Youth Feature Paraders competition is restricted to exhibitors and animals entered in the BioWorma Youth Feature Show Heifer Classes.

To be eligible to compete:

- The heifer must be formally entered and accepted in the BioWorma Youth Feature Show Heifer Classes; and
