THE BORTHWICK TROPHY

The Borthwick Trophy is widely recognised as the most prestigious interbreed steer and carcase award in Australia. The conditions of the competition are as under:

- The competition to be between teams of three purebred steers. Heifers are not eligible for the Borthwick Trophy.
- Steers to be led into the judging ring.
- Each team to be representative of any recognised Beef Cattle Breed.
- Each team to be selected from amongst the entries in the ordinary classes by a Breed Panel prior to live judging of these classes.
- Each breed to be represented by one team only.
- The results of both live and carcase judging will be considered in determining the winner of the Borthwick Trophy, with 25% of total points allocated for live judging and 75% of total points allocated for carcase appraisal. The live judging will consist of each of the three breed representatives being awarded a score out of 100, the score will then be divided by three to provide an average for the group. The judge is to keep in mind appropriate splits, ie. Carcass points are often .01 separation.
- Points gained by the steers in the carcase judging (maximum 300 points) to be added to the points awarded alive.
- The winner of the Borthwick Trophy will be the team that gains the highest aggregate points in both the live and carcase judging. (Maximum 400 points).
- The Borthwick Trophy to be competed for in perpetuity, and the name of the winning breed to be engraved on it each year. The Trophy to remain the property of Melbourne Royal. Refer to the Special Regulations for further details.
