

2024 Melbourne Royal Show – Commercial Exhibitor – Product / Service List

To assist with product/service diversity and allocation, we ask you to please provide a detailed list of each individual product / service that you wish to sell at the 2024 Melbourne Royal Show.

If you have an existing document with the same format and level of detail included in the below table, you are able to attach it to the 'Supporting Documentation' section of the application form.

Please note that including the products / service below does not guarantee that it will be available to sell at the event, each application and product list is subject to review and approval with your overall application. For items that are confirmed and approved for sale, these will be listed within your product / service offering section of your contract agreement.

If you wish to add or removed products / services that are not included in this form during the Expression of Interest stage, you are able to email sales@melbourneroyal.com.au with the relevant information for review and approval and unable to sell products without approval at which stage your agreement may require amendments.

Exhibitors are fully liable and must ensure that the necessary licenses / permissions to sell or promote any products or services that have a brand, trademarking, safety requirements etc. have been obtained / approved.
